has successfully completed the online, non-credit Professional Certificate

CertNexus Certified Ethical Emerging Technologist

In this Specialization learners developed a cross-industry and multidisciplinary foundation in applied technology ethics. The specialization focused on the skills necessary to lead with ethical integrity in any organization focused on the development, maintenance, and governance of data-driven technologies. The certificate of specialization completion is not equivalent to the industry certification of Certified Ethical Emerging Technologist (CET-110). Learners wishing to obtain an industry certification must sit for and successfully pass the CET-110 exam.

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
